Introduce

Set Goals,Keep Promises

Achieve your goals with AI technology, blockchain technology and witness from friends

Start Setting Goals →   Learn More

How It Works

Set Goals
Create the goals you want to achieve with AI-assisted planning

AI Planning
Get personalized advice from AI planner to help you achieve your goals

Invite Witnesses
Invite friends as witnesses to your goals and witness your growth

Lock Deposit
Lock deposits through smart contracts to ensure your commitment

Completion Verification
After completion, witnesses vote to confirm, and you'll get your deposit back

Popular Goals

Run 5km every day   In Progress
期限: 30 days · 保证金: 0.1 SUI

完成进度   40%
